

PAY DASHBOARD

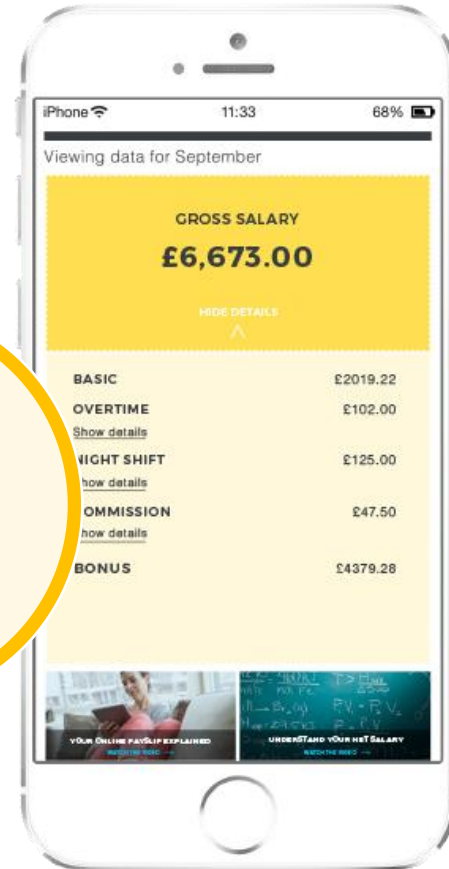

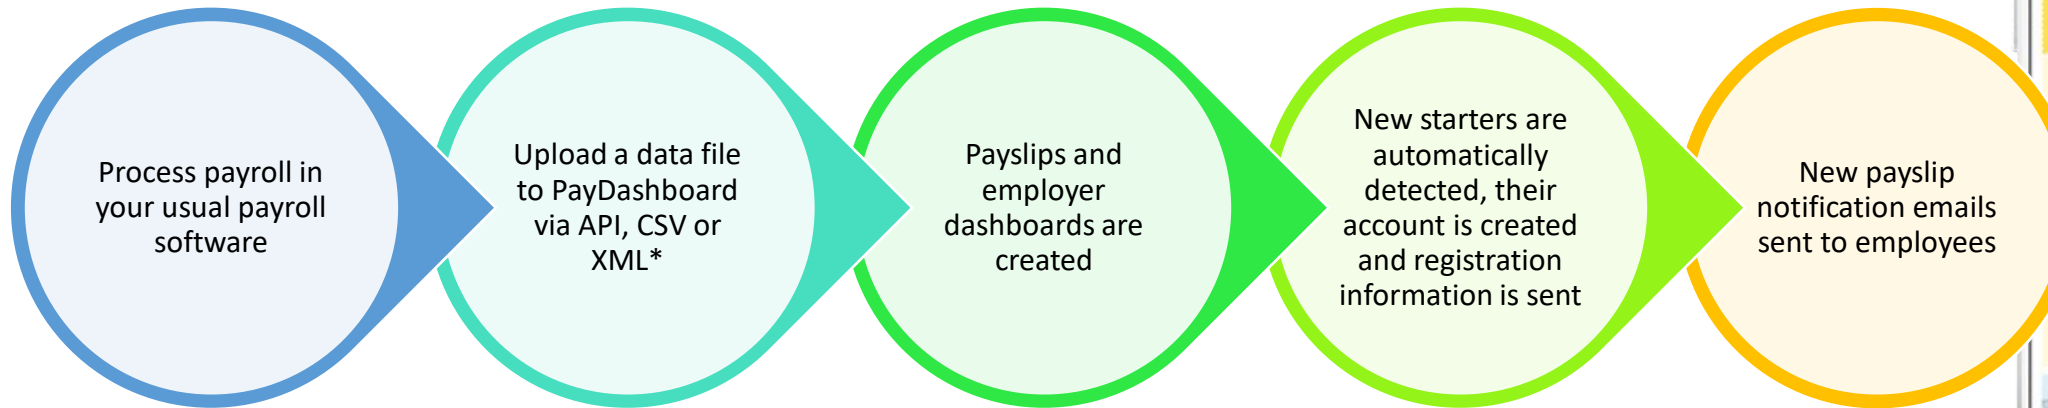

The **SmartSlip** solution for your business

What is PayDashboard?

PayDashboard is a cloud-based platform which integrates with your existing payroll software to enhance your employees' experience

How it works

*Upload method depends on your payroll software

SmartSlip Features

Upload your payroll data to PayDashboard to unlock these great features

- Interactive SmartSlips – say goodbye to flat, boring PDFs
- PAYE forms stored and distributed online
- Mobile access, anytime, anywhere
- Dynamic data dashboards
- User-friendly interface for your employees
- Ability to search, view, download and print payslips
- Financial education for employees on tax codes, allowances and other pay-related information
- Customised branding – your brand positioned front and centre when your employees log in
- In-browser translation – deliver employee payslips in any language
- An integrated discounts and cashback site – PayDashboard Rewards
- Access to additional employee benefits
